Small Commercial Senior Underwriter (November 2019 - Present)

Perkasie, PA

- Full-time remote since March 2020
- Recently sought out by management to participate in a cross-departmental team that tests new applications and system updates as a user before the application or update is deployed to entire company
- Works effectively on a team of seven associates in order to provide quick and accurate new business quotes to clients
- Efficiently balances individual workload, phone calls, emails, team email inbox, and team phone loop
- Enthusiastically assists new associates when needed
- Confidently negotiates with clients to meet both company and customer needs
- Participates in daily team stand-ups and engagement activities
- Regularly leads virtual daily stand-up meetings
- Enjoys working independently as well as with others in a team environment
- Meets production and quality expectations monthly

Small Commercial Underwriter (May 2016 – November 2019)

Harleysville, PA

- Worked effectively on a team of fifteen associates
- Volunteered to participate in a pilot program to test new team workflow
- Volunteered to be one of the first employees trained on company’s new quoting web application
- Corresponded professionally with teammates and customers in order to provide quick and accurate new business quotes to clients

Small Commercial Associate Underwriter (July 2011 – May 2016)

Harleysville, PA

- Worked on a team of about twelve associates

- Applied strong attention to detail in order to evaluate accuracy and quality of accounts for profitability
- Participated in company's pilot team of associates to test and utilize new quoting application for efficiency and profitability
